_____**Where I Live**

Hi, I'm Masie. I live in Boston, Massachusetts, in the northeastern part of the United States. Our house isn't very big, but it's comfortable. It's near my school, so I can walk to school every day.

There are some nice people on my street. I have two very good friends - Joey and Paula. The bad thing is there are lots of cars in the street, so we can't play outside. The traffic is very noisy during the day.

A nice old woman named Mrs. Leigh lives next door. She is very friendly, but she has four cats. They come into our garden and catch the birds. A family from Poland, the Kartners, also lives near me. They have a little baby and are very kind. Sometimes I take the baby to the park. My cousins Rosy and Fiona live across the street. Their parents, my aunt and uncle, have a shop on the corner where we buy candy and magazines. My parents say they want to move to a bigger house one day, but I like living here.

8 Read the text again. Then answer the questions. [4 points]1. What is Masie's house like?
_____2. What is the bad thing about her street?
_____3. What do Mrs. Leigh's cats do?
_____4. Describe the family from Poland.
